Re: Kildare Community Facilities Scheme 2017

Following advertisement of the scheme in May, twenty three applications were received from across the county. Your recommendations were presented to all Municipal Districts members in July, where final approval to the scheme was given.

Due to the large volume of applications received from the Athy Municipal District, (eight compared to four in other Municipal Districts), Kildare County Council agreed to increase the allocation from €13,000 to €16,000 which allowed us to grant €8,000 to two groups in the Athy Municipal District. Details are outlined below.

Athy	Athy Town FC	€8,000
	Monasterevan Youth Cafe	€8,000
Celbridge/Leixlip	The Bridge Project	€13,000
Kildare/Newbridge	Newbridge Family Resource Centre	€13,000
Maynooth	Kilcock Men's Shed	€13,000
Naas	Enable Ireland	€13,000

Four groups have been paid to date with two in the process pending outstanding documentation.
